

New! Online payment processing with CabCard

CabCard  Online

CabCard Online has been specifically designed to suit the Private Hire,

Executive Chauffeur and Taxi Industry. This online card payment processing solution enables the driver to accept Visa, MasterCard and American Express via phone, fax or email 24/7 as long as they have an internet connection either from an office computer, laptop or any internet enabled smart phone such as an iPhone, iPad or Android device.

A convenient secure way to pay

CabCard Online provides your customer with a secure internet link. It is the online version of chip & PIN, thus providing you and your customer peace of mind that their card details are safe.

Added Flexibility

The added bonus of a flexible processing rate will be advantageous for drivers who wish to offer their passengers a low fee for using their cards for example when the journey is of a high value.

CabCard has everything you need to accept card payments

CabCard Online is the perfect complement to the mobile, in-vehicle chip & PIN terminal service. Some customers will prefer to pay at the end of their journey using their card. If you have the chip & PIN service then the Online service is also available **at no extra cost** and drivers will find the online payment system provides an invaluable method for customers to pay for advanced and forward bookings.

Premier cars Already using CabCard Online is Abdul Mohammed of Premier Taxis. He comments: "The online system is simple and easy to operate and provides an alternative payment option to new and existing customers when booking their advance journeys via credit or debit card with us. The reporting element of CabCard Online has revolutionised our account work allowing us to see exactly what has been paid or payments yet to be allocated to our drivers. The CabCard team are always on hand to help with any issues and we are already recommending this great new service to other fleets and independent drivers."

For an initial introductory period CabCard Online will be offered **FREE** to all existing CabCard customers who apply for the service. New drivers are also welcome to apply.
